

Micah Mission

Our Mission

Micah Mission endeavors to answer the call of Micah 6:8 by working relationally and collaboratively to identify and meet the needs of the homeless and marginalized of the Lompoc area by:

- ... **doing justice...** through education, dialogue, and advocacy
- ... **loving kindness...** by building relationships and compassionately serving the homeless and marginalized
- ... **walking humbly with God...** by providing opportunities for the spiritual growth of those we serve, those who serve, and those we collaborate with.

OUR GOAL is to establish a full-time, service-based Christian Day Mission offering the Lompoc area's marginalized and homeless population a place that is dedicated to their unique situation. To focus on relationships where everyone is valued, loved and welcomed. To provide a place that is uniquely Christian in nature where basic needs are met while health and spiritual wholeness are realized through love and the teaching of the Gospel. To accomplish this work by utilizing partners Trinity has cultivated through its Saturday Afternoon and Restore Ministries while adding new community partners to provide for the physical and spiritual needs of the marginalized.
