Benediction

Joshua 3:1-5

¹ Early in the morning Joshua and all the Israelites set out from Shittim and went to the Jordan, where they camped before crossing over. ² After three days the officers went throughout the camp, ³ giving orders to the people: “When you see the ark of the covenant of the LORD your God, and the Levitical priests carrying it, you are to move out from your positions and follow it. ⁴ Then you will know which way to go, since you have never been this way before. But keep a distance of about two thousand cubits between you and the ark; do not go near it.” ⁵ Joshua told the people, “Consecrate yourselves, for tomorrow the LORD will do amazing things among you.”
